Subject: FS Process Outline
Date: 03/03/2008 04:59 PM
Attachments: [FSProcessOutline030308.pdf](#)

In advance of Wednesday's meeting, we have prepared an outline describing EPA's vision of the FS process for the Portland Harbor site. This is for discussion purposes only. We will be prepared to walk through this example. In addition, it would be helpful if the LWG is prepared to present examples from the Onondaga Lake Superfund site that was mentioned last week.

Thanks, Eric
